Thanks jane
I'm confirming that I can make those dates work.

Sent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

Hi Laura. Yes, I believe Kathleen and I can both still make ourselves available on Oct. 29 or Nov. 4 or 5.

Hi Jane, summarizing the options:

Next week Wednesday the 29th MIGHT work (is this true for both you and Kathleen?)

Or the following week, Nov. 4 or 5 are the two options that work for both of you?

Thanks,

Laura

Laura, Kathleen forgot about a commitment she had made for Nov. 3, so we should take that off the table if the goal is to have everyone there in person.

Hi Laura. I checked Kathleen's and my calendars. Best days for us to travel to Sacramento are Nov. 3 or 5. Nov. 4 may also be possible. The prior week, which I know you said is pretty packed for you, is pretty booked for us, but Oct. 29 may work.

Hi Jane,

Attached is the proposed response plan to EPA's comments that we shared with you and discussed at today's meeting. Please let me know if we have missed any topics or concerns, and then we will begin scheduling a series of policy and technical level meetings to work through all the issues. I will look for a time the week of October 27 or November 3 for our first policy meeting.

It was a pleasure meeting you and I look forward to working with you.

Best,

Laura
